Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Replacement of Fire Alarms and Smoke Detectors for Nutley Public Schools in fiscal year 2024. The entity to receive funding for this project is the Nutley Public School District, located at 371 Franklin Avenue, Nutley, New Jersey 07110.

This funding will be used to provide a comprehensive replacement and upgrade of all smoke detectors and fire alarms in school buildings in the Nutley Public School District. This is a valuable use of taxpayer funds because school buildings are used for both everyday school functions, as well as community events and programming open to the public, and keeping students, faculty, staff, and their families safe is of utmost importance to the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

---
